## Five Missions Principles

### VISION Build a better Environment for Humanity

#### POLICIES

*To transform the present UIA into a unique world recognised body for the profession and for Architecture*

- International Standards
- International Policies
- International Architectural Observatory
- Plan the future

#### ADVOCACY

*To promote better recognition of Architecture and Architects  
To make our action more pertinent and coherent whilst recognising the great diversity of cultures, challenges and practices.*

- Promote Architecture
- Promote Architects
- Reinforce our Network of Strategic Partnerships

#### CAPACITY BUILDING

*To establish a solidarity and cooperation network among architects of the world.  
To speed up change to achieve targets set by UIA policies*

- Education
- Professional Practice
- Knowledge Sharing
- International Cooperation

#### REPRESENTATION

*To become a powerful communication network*

- External Representation
- Engage UIA Membership
- Expand UIA Membership

#### DEVELOPMENT

*To strengthen and develop UIA.*

- Reinforce the Organisation
- Sustainable Resources
- Reinforce our Network of Commercial Partnerships
- Manage all the partners' agreements

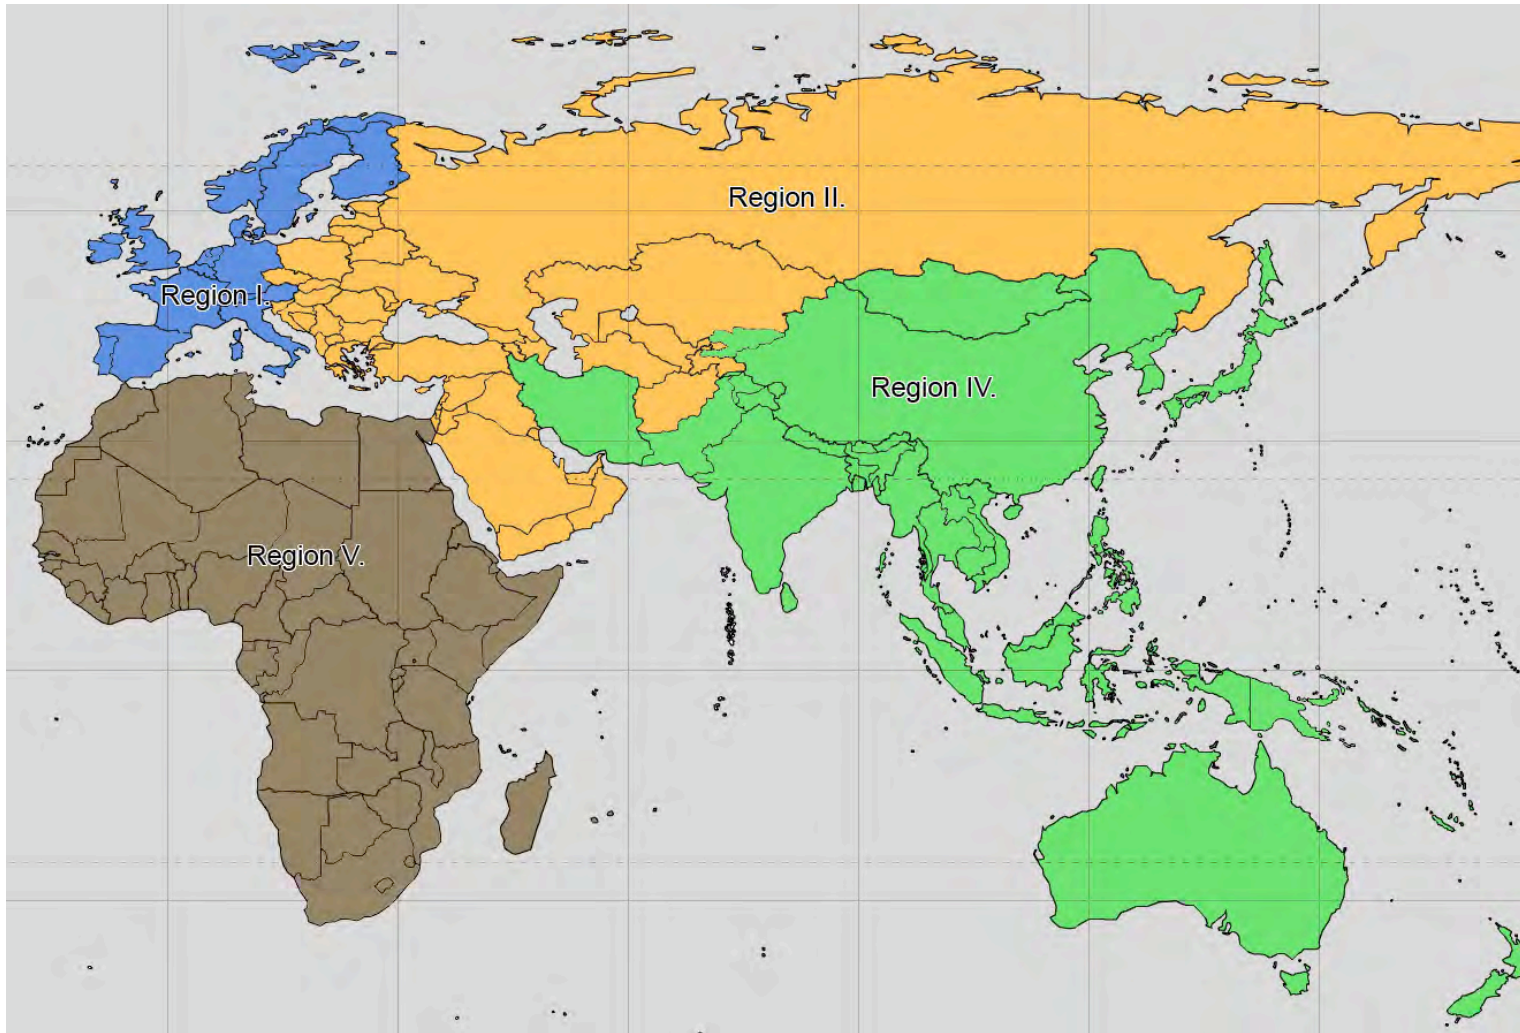

also Lisa Siola is

The UIA Vice President responsible for the portfolio  
Capacity Building-Knowledge Sharing  
The new Coordinator of the Statutes Committee

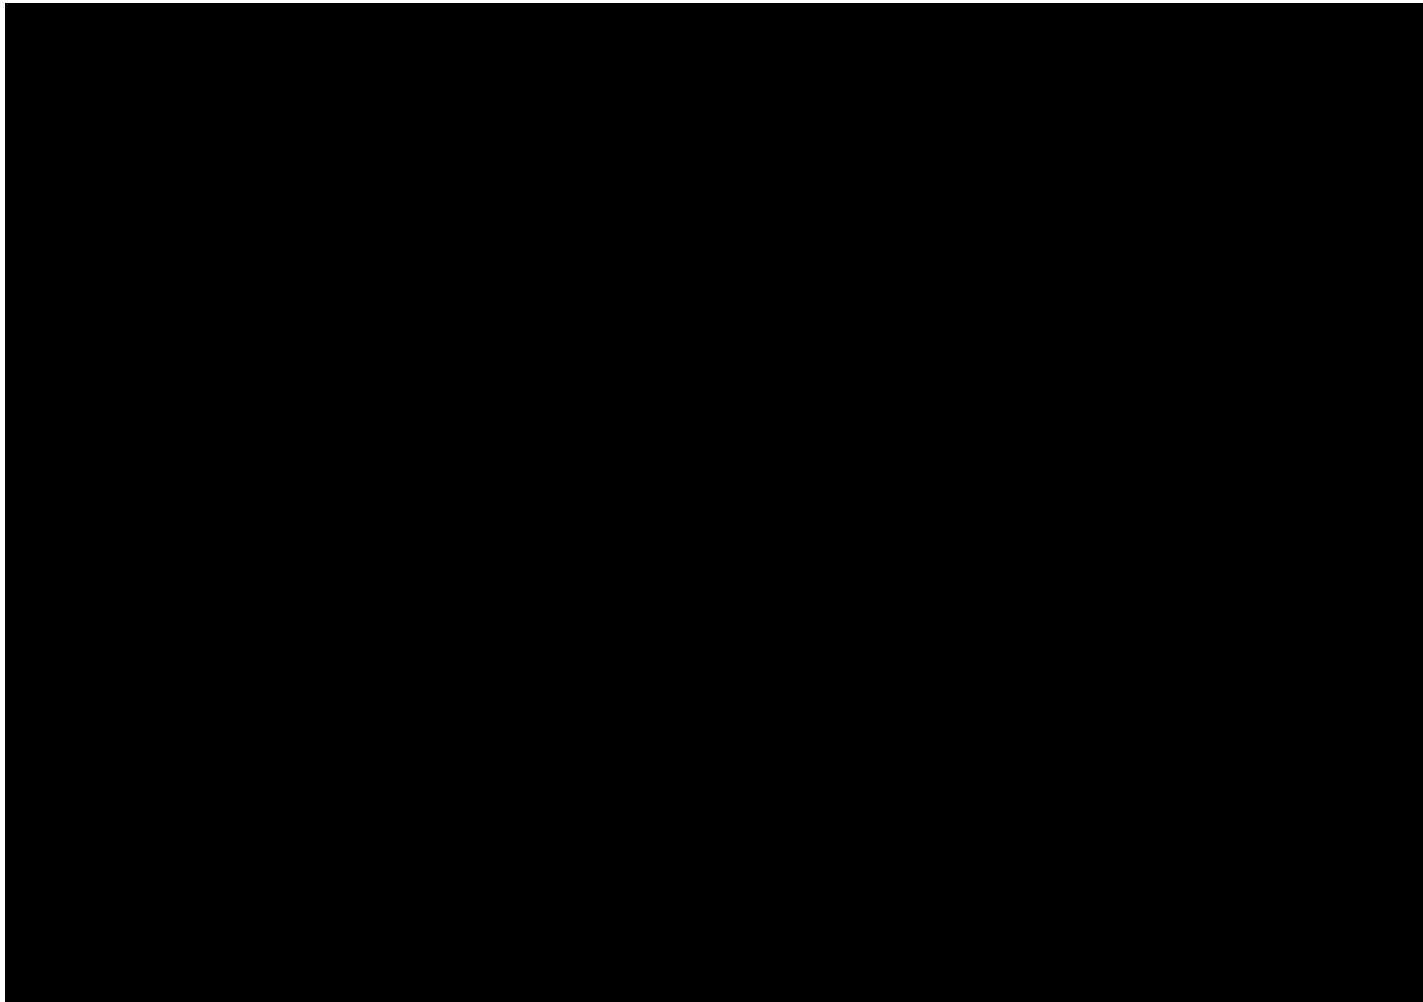

---

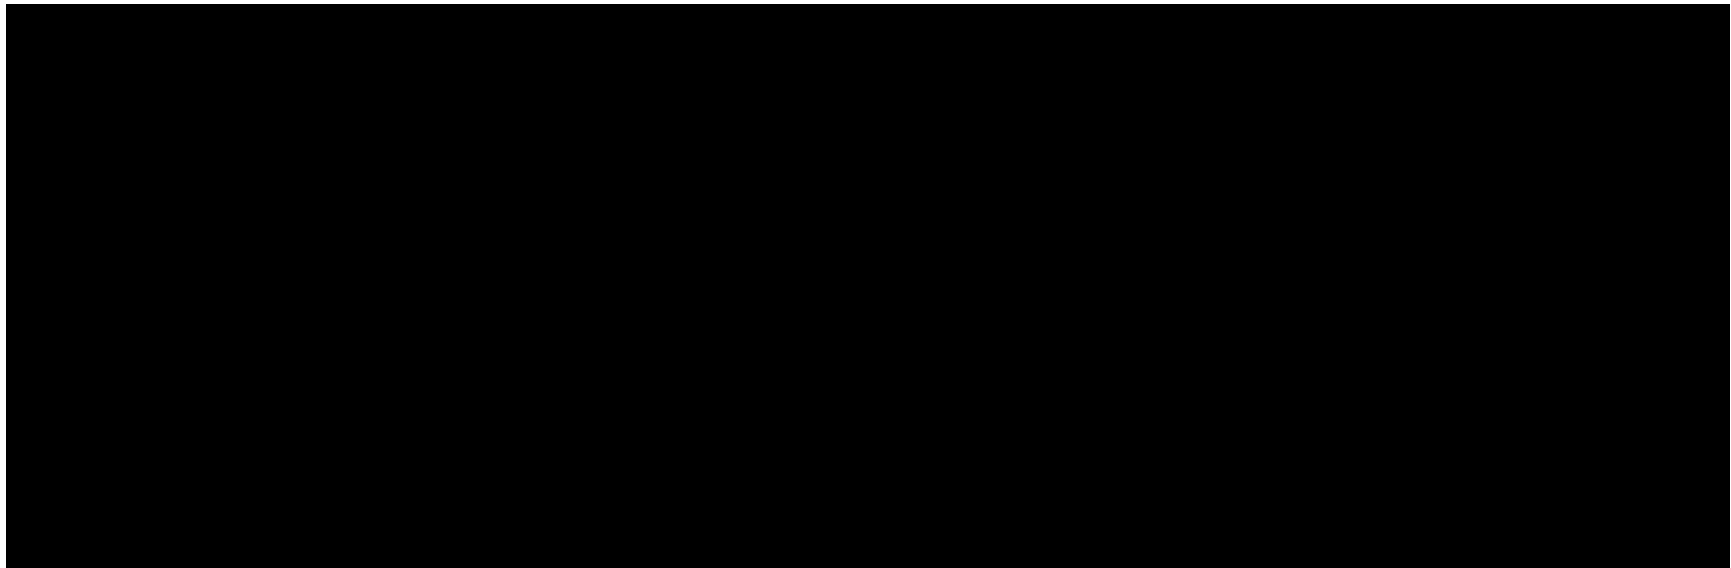

REGION II UIA NATIONAL SECTIONS. IN RED MEMBERS OF ACE OR EE OR EE CANDIDATES

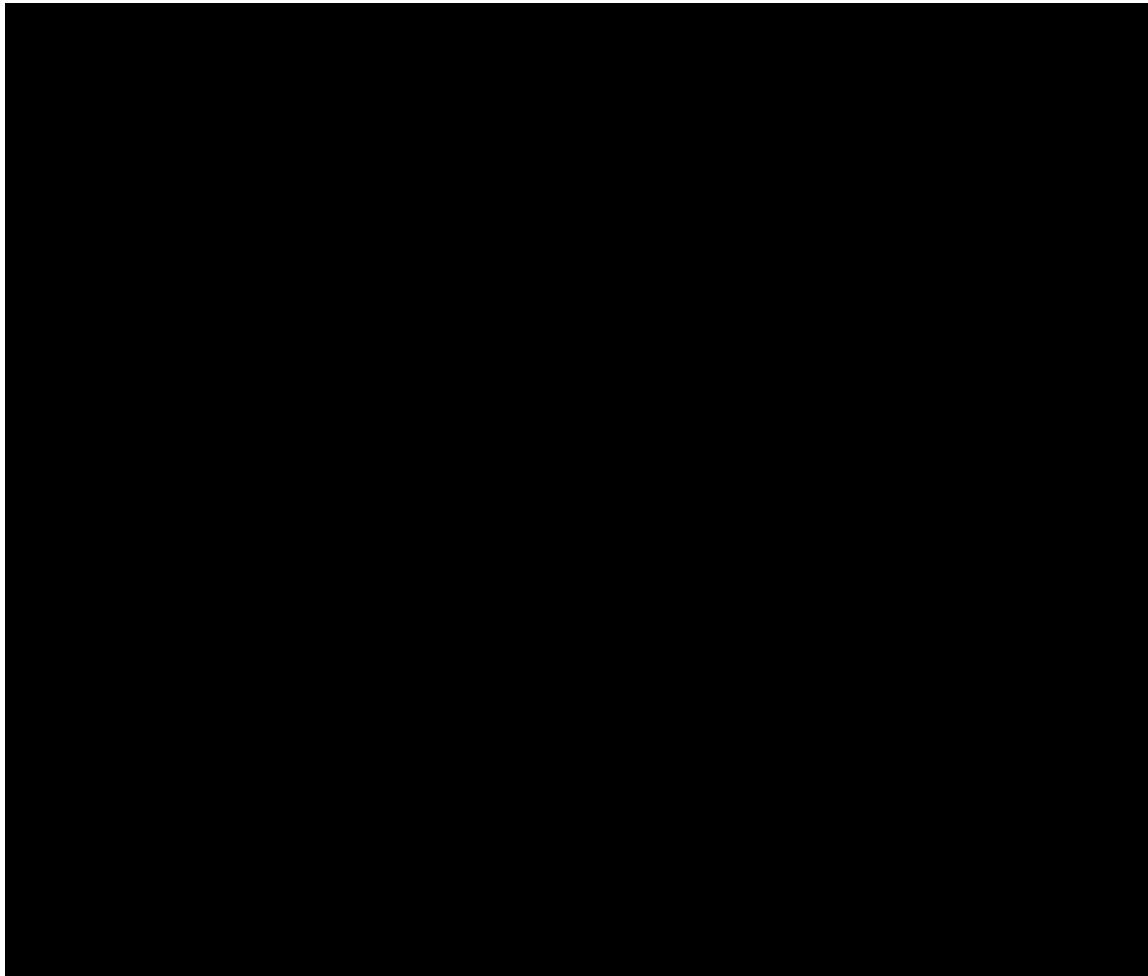

---

9 International WP and 7 Regional WP  
Region II 4 Directors of International WP  
Region II 4 Directors in 7 Regional WP

## Region II Working Targets as presented in the UIA Bordeaux Bureau meeting

- to increase the influence of UIA in Region II for the best of the organisation and the RII National Sections.
- good knowledge of National section's profile and of RII specialities
- to increase participation in UIA Commissions and WP
- to face the complexity of the Region II through the advantage of multicultural character of the Region

## First Actions

- Collaboration with Council members RII in order to establish region's representation to UIA Working Bodies
- Collaboration with ACE according the existing UIA-ACE MoU
- Participation to architectural events of UIA RII National Sections (Congress of Union of Architects of Russia 21-22/10/08, Belarusian Union of Architects' events, CAT Symposium on Architecture and Tourism in Antalya the 1st of November), ACE General Assembly
- The Creation of a database on the profile of Region II in the UIA Working Programmes, in order to increase participation in the Region II
- Other regional organizations in Region II
- UIA Bureau-Council meeting in Region II

## Implementation of UIA-ACE MoU
