Dear President SADA-PEA and UIA Vice President RII,

The *Kamra tal-Periti* thanks you for your support of our efforts in safeguarding professional responsibilities following the introduction of new legislation in Malta without proper consultation.

On Friday 6<sup>th</sup> July 2019 we held an Extraordinary General Meeting of the profession, with around 400 members attending, representing nearly half the Maltese profession. We know that many did not attend due to other commitments, and others were represented by their colleagues, so we have a strong backing for our position.

We will continue lobbying with Government in the coming days to effect changes to the legislation in an effort to restore order to the profession and to ensure that all actors on construction sites have clearly defined roles and responsibilities.

The Council extends its sincere thanks for your invaluable support at this difficult time.

Yours sincerely,

**Perit Simone Vella Lenicker**  
President, Kamra tal-Periti
